

**Directions to the GEORGIA TECH
SMITHGALL STUDENT SERVICES BUILDING**
(known by students as the Flag Building)

Unfortunately, parking is sometimes extremely limited on the Georgia Tech campus, so you may wish to consider taking MARTA to the Student Services Building.

To walk from MARTA to the Student Services Building (known by students as the Flag Building):

Exit MARTA at the North Avenue Station. Take the North Avenue exit and walk towards the Varsity Restaurant and Tech campus. Continue on North Avenue and cross over I-75/85. Pass the stadium on your right.

At Cherry Street, turn right. At Ferst Drive, turn left. Follow Ferst Drive until you reach the Student Center on your right. Cross the parking lot to enter Smithgall Student Services Building. This is a pleasant walk and only takes about 20 minutes.

To take the Georgia Tech Trolley from the MARTA station to the Student Services Building:

Exit MARTA at the Midtown Station. Take the Peachtree Place exit and wait for the Stinger shuttle immediately outside the door. There are no signs, but the shuttle runs every 6 to 8 minutes and is free.

The ride is about 15 minutes. Exit the trolley at the terminal stop. Walk down the sidewalk to the Student Services Building.
